**Important Notice Regarding
“Red Yeast (Beni Koji) Material” Used in Our Products**

We sincerely thank you for your continued patronage of our products.

DHC has issued an announcement that the “Red Yeast (Beni Koji) Material” used in the products DHC manufactures and distributes in Japan is not produced by Kobayashi Pharmaceutical Co., Ltd.

Regarding its safety assurance, DHC has confirmed no quality issues in quality tests performed and has received no reports of any serious kidney diseases to date, therefore please rest assured.

We deeply regret any concern this may have caused to our customers and all related parties.
